

## Individual Funding Request (IFR) Application Form

The clinical applicant (primary, secondary, tertiary or other) completing this form is responsible for collating all information and relevant evidence, which may involve working with other clinicians, outside of your organisation, involved in this patient's care. All forms must be typed, acronyms / abbreviations must be written out in full and all fields must be completed (or N/A stated where a field is not applicable). Incomplete mandatory fields and hand-written forms will result in the form being returned and may cause delays to consideration for funding. Please refer to your Clinical Commissioning Group's (CCGs) IFR policy or team (details at bottom form if any further support is required

Anonymity – please ensure that in order to protect patient identity, apart from section A, the patient is not referred to by name or initials within the application form.
